

## Welcome to Nat Bure Art Studio!

My name is Natalia Bure.

I have significant experience in art, design and teaching.

I'm a mum of a new student here, in MRG - Charlotte.

I would like to offer our lovely kids (from 4 y.old) a class of painting and decorative design.

I will host 8 lessons on Monday from 25.08 till 13.10.  
From 16:15 till 17:30

We will work on canvas, make an interior design object,  
super stylish post cards and other creative things)))

Classes will be in English,  
with little possibility in my "beginner" French (if need be).

The price is very symbolic and amount of CHF 298.  
All material will be included)))

We will be happy to become part of our Montessori community  
and meet new fantastic friends between children and adults!)))
